#### **Health and Medical :-**

Radico is committed to provide all possible help to create awareness on various health related issues impacting the local peoples and to provide better health care to the needy persons of society.

- ❖ Every year Company provides financial help to Distt. Eye relief society, K D Dalmia to organize medical camps in surrounding villages. Last year Company has organized one General health checkup camp at Ajitpur Village and six eye check up camps in nearby Villages at Ajitpur, Chamrowa, and Panwadia.

## K D Dalmiya Eye Hospital

**K. D. Dalmia Eye Hospital** was established in 1958 by the **Late Padamshri Dr. Mohan Lal** founder of the Gandhi Eye Hospital, Aligarh. This hospital is being Managed by the District Eye Relief Society, Rampur under the president ship of District Magistrate, Rampur.

Every day around 400 patients visits the Hospital and got benefitted among them 8 to 10 % patients are suffering from retina disease. Earlier there was no such facility available in Rampur and surrounding areas to get treatment. The patients suffering from Retina disease have to visit expensive hospitals in Delhi NCR for their further treatment.

During our discussion with Doctors at K D Dalmia Hospital, we have found that if we arrange the required retina machines at Rampur than our Doctors can treat the patients having retina disease.

**Smt. KIRAN DEVI KHAITAN RETINA & LASER CENTRE**  
**K.D. DALMIA EYE HOSPITAL, RAMPUR OPEINING CERMONY**

Retina & Laser Centre was inaugurated by, **Shri C.P. Tripathi, I.A.S. District Magistrate-Rampur** on **11<sup>th</sup> June 2015** in the presence of Mr. K.P. Singh Director and all the dignitaries of Rampur.

**Mr. Lalit Khaitan Chairman, along with Mr. K P Singh Director (O) and Mr. Ajay Kumar Agarwal President F & A visited Smt. Kiran Devi Khaitan Retina & Laser Centre**

Now Hospital is able to treat about 90% of various diseases of posterior segments of eye by the following equipments:

1. **FUNDUS CAMERA:** It is used for taking photographs of Retina & Optic Disc & performing Angiography of the eye to diagnose harmful effects of Diabetes, Hypertension, and Age Related Macular Degeneration etc.

2. **RETINAL GREEN LASER:**

After performing angiography by Fundus Camera most of the above mentioned diseases are treated By Retinal Green Laser, thereby preventing the harmful effects of these diseases. If such patients not treated at an early stage can make a person permanently blind.

3. **OPTICAL COHERENCE TOMOGRAPHY EQUIPMENT:** It is highly sophisticated equipment to diagnose :

- **Macular Diseases:** Eye affected by Diabetes, Hypertension & Macular Degeneration at a very early stage.
- **Glaucoma:** To diagnose this sight threatening disease at its earliest stage.
- **Cornea & Angle Of The Anterior Chamber:** Some of the disease of the Cornea & Glaucoma that is also a very dangerous & blinding disease of eye. If diagnosed & treated early can prevent & help the patient from becoming a blind person.

So far the hospital has examined & treated **566** cases on nominal charges & **134** cases have been treated free of charge to the poor patients.

The people of Rampur & adjoining areas are very thankful to Radico Khaitan Ltd. for donating & establishing of **Smt. Kiran Devi Khaitan Retina & Laser Centre** at Dalamiya eye hospital which is a boon for whole of population of this area & will fulfill hospital aim for prevention & eradication of Blindness.
